Introduction

The present bibliography on “Corporate governance” includes monographs from the Library’s print collection and full text articles (retrieval of full text can be done by the Library’s workstations) from the databases:

- **ScienceDirect**: articles published between the years 2001 and 2009,
- **JSTOR**: articles published between the years 2001 and 2007,
- **Factiva**: articles published between January 2010 and November 2010.

The bibliographic references are listed by date of publication in descending order. Within each year, the bibliographic references are listed alphabetically by the title of the monograph or the article.

The search criteria are as follows:

- **Monographs**: the result is derived from the search query in the Library’s electronic catalogue (OPAC) with the phrase “Corporate governance” in the field “Subject”,
- **Full text articles**: the result is derived from the search query “Corporate governance” in combination with the term “Banks” (in order to include articles about Banks specifically in the “Title” field as well as in other fields (e.g. Abstract, Keywords, Full text) of the abovementioned electronic resources.
