Introduction

The present bibliography on “Privatization” includes:

- Monographs and working papers in print form from the Library’s collection published since 1987.

  Source: Library’s Web Online Public Access Catalog (WebOPAC)

- Full text articles and working papers in electronic form from the Library’s databases published since 1988 (for external users the retrieval of full text is available from the Library’s workstations).

  Sources: ABI/INFORM Complete, Science Direct, Factiva, CEPR Discussion papers, NBER Working papers

The bibliographic references are listed by:

- date of publication in descending order,
- within each year, alphabetically by the title of the article or the working paper.

Search criteria: the search query is “Privatization/Privatisation”, specifically in the “title” field as well as in other fields (e.g. abstract, keywords, full text) of the abovementioned electronic resources.

Additional information on “Privatization” is included in the periodical publications of the Bank of Greece such as Monetary policy: interim report 2010 (October) Governor’s Annual Report for the year 2009.
